

From Jim Jennings:

The most important thing I learned (about God, Christ, etc.) from my experience in missions this year is that God so loved the world that he gave his only begotten son. He LOVED and he GAVE--and this gift was, in human terms, his most beloved possession. I'm glad he doesn't just love those who live in palaces or have lofty but meaningless positions, but he loves those high and low--you, me, everybody!!

One or two prayer requests related to my experience:

For safety and effective ministry for those working with Conscience International teams building houses in Haiti, providing medical treatment for at-risk children on the Ethiopia/Somalia border, feeding refugees and treating illnesses in Pakistan, and starting a new clinic and school in Bangladesh.

"Freely you have received, freely give!" Matthew 10.8
