Faithful Attendance and positive participation in Sonlight rehearsals is required for all planning to go on choir tour. There are a total of 19 Sonlight rehearsals beginning today until we leave on tour. All students going on tour must attend 80% of these rehearsals or 15 points. One point is earned for each rehearsal. Some bonus points may be earned if some crisis occurs or unavoidable conflicts arise that prevent you from being able to earn 15 points. See Mark or Steve for details.
